Plan Administrator
Spartan Stores, Inc. Savings Plus Plan for Union Associates
850 76th Street
Grand Rapids, Michigan 49518

We have audited the accompanying statements of net assets available for benefits of the Spartan Stores, Inc. Savings Plus Plan for Union Associates as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements and supplemental schedule are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Spartan Stores, Inc. Savings Plus Plan for Union Associates as of December 31, 2006 and 2005, and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The December 31, 2006 supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic 2006 financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SAVINGS PLUS PLAN FOR UNION ASSOCIATES

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Spartan Stores, Inc. Savings Plus Plan for Union Associates (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Description of the Plan

General

The Plan is a defined contribution plan covering all employees of Spartan Stores, Inc. (the "Plan Sponsor" or "Company") represented by the General Teamsters Union. Employees are eligible to participate in the Plan upon attaining age 21 and having 6 consecutive months of employment with 500 service hours, or 500 service hours in 12 consecutive months since the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are eligible to contribute up to 75% of their pay as tax-deferred contributions, subject to limitations allowed by the Internal Revenue Code. Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2006, the plan offered 21 mutual funds and the common stock of the Plan Sponsor as investment options for participants. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Plan earnings are allocated based on the ratio of each participant's account balance to the total account balance. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

Vesting

All funds contributed to the Plan are 100% vested and nonforfeitable.

Participant Loans

Participants may borrow from their accounts a minimum of \$500 up to a maximum of 50% of the participant's account balance. Additionally, to be non-taxable, the loan cannot exceed \$50,000, reduced by the participant's highest outstanding loan balance during the 12 month period immediately preceding the loan date. Loan terms generally range from one to five years, or up to ten years, for the purchase of a primary residence. The loans are collateralized by the balance in the participants account and bear interest at annual rates ranging from 6.0% to 10.25%, which are commensurate with local prevailing rates as determined by the Plan administrator at the time the loan was made. Principal and interest is reimbursed ratably through payroll deductions.

SPARTAN STORES, INC.
SAVINGS PLUS PLAN FOR UNION ASSOCIATES

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or his or her beneficiary, receives a lump sum amount equal to the value of the participant's account or installment payment as defined by the Plan agreement. All accounts less than \$5,000 in value as of the last date of employment require a lump sum distribution; all participants with vested accounts equal to or greater than \$5,000 have given the option for distribution or maintaining their accounts in the Plan.

Administrative Expenses

The Plan's administrative expenses, including salaries, accounting, and legal fees, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Fees for participant record keeping services were paid by the Plan.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Except for participant loans, fair value is determined by quoted market prices at the end of the Plan year. Participant loans are valued at their outstanding balance, which approximates fair value. Unrealized appreciation or depreciation in the aggregate fair value of investments represents the change in the difference between aggregate fair value and the cost of investments, including reinvestment of earnings. The realized gain or loss on sale of investments is the difference between the proceeds received and the average cost of investments sold.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in the fair market value of investments for such investments.

Payment of benefits

Benefits are deducted from Plan assets when paid.
